## ART OF THE PARTY

Ocean Drive and Roche Bobois presented the annual Art of the Party at the Roche Bobois showroom in Wynwood. The event, supported by BankUnited, Caroline Bay Bermuda, EFFEN Vodka, Neiman Marcus Bal Harbour, and STK, unveiled Ocean Drive's December issue with cover star **Heidi Klum** and kicked off the premiere of the film *Vandal*. The party also celebrated the FURTIF ART PROJECT, in which artists **Kelly "RISK" Graval**, **Santiago Rubino**, **Typoe**, and **Ahol Sniffs Glue**, tennis star **Venus Williams**, and Klum reimagined Roche Bobois's Furtif desk. The pieces were auctioned off, with proceeds benefiting Lotus House and (for Klum's desk) UNICEF.
